Customer Reviews

Book contains big variety of holiday recipes that are easy to follow and clearly explained. To be honest, i could't wait and have already tried one of them last night. I chose banana cream pie because of how easy it was to cook. It literally took me 15 minutes (excluding cooling of course) and it delicious. Recommend!

From the picture on the cover, I expected more recipes (including a recipe for the cover photo) but there were very few recipes. Nothing wrong with the recipes in the book, just not what was advertised.

No pictures at all not very may recipes...

Well written and great information placed in a easy to read format.

This is a great cookbook with easy to follow recipes that are delicious and sure to please even the most picky eater. As an added bonus you get a free guide to making natural soaps. It's perfect, you can prepare the perfect holiday dinner and give your guests a basket of handmade soaps! The holidays just got easier!
