French Bulldogs - Owners Guide From Puppy To Old Age. Buying, Caring For, Grooming, Health, Training And Understanding Your Frenchie

Synopsis

French Bulldogs - The Owners Guide from Puppy to Old Age is a must-have book for any responsible Frenchie owner. Expert dog whisperer, trainer and owner, Alex Seymour, writes in a fun and entertaining way about French Bulldogs while packing the book full of useful hints and tips. In addition, many top breeders make contributions, including a Westminster dog show best of breed winner, who writes a special bonus chapter about showing Frenchies. Just some of the subjects covered include: origins and history of the French Bulldog, different types and colors, buying a dog or puppy, male or female, pros and cons, rescue, adoption, breeders, personality, socialization, spaying, neutering, house/potty training, bringing your puppy home, grooming, combing, bathing, shows, health, vaccinations, training, understanding your Frenchie, play and toys, what food and nutrition, old age and what to expect, and much more... "Entertaining book, I especially liked the guest contributions from breed experts. Added to the fun style of writing and good, solid info." - Adam Swanton "The best French Bulldog book I have read and I tend to buy every one I can, as I love and adore these dogs. Fun and comprehensive." - Alana Wright

Customer Reviews

As a successful breeder and exhibitor of Champion French Bulldogs, I highly recommend this informative book to anyone looking to make a Frenchie part of their home. This book intelligently walks you through all important aspects of owning a Frenchie, from puppyhood through old age. I would consider this book a real "go too" for good, solid information. Read this "bible" before purchasing a Frenchie puppy and avoid the pitfalls waiting out there.

I couldn't put it down ... and read it in one day! It offers advice for those who have never owned a French Bulldog or someone that hasn't owned a puppy in 12 years! I have since read a 2nd book by a different author ... and I was sadly disappointed with it ... it just didn't even come close to the quality and helpfulness of this book!

Love the book! As a breeder of champion French Bulldogs it is nice seeing a book dedicated to this wonderful breed. This well-written book will be an asset to be able to direct new puppy owner's to as a reference. Great seeing all the fun Frenchie pictures.

I am now older + living in an apt. I wanted a smaller dog so I am getting a French Bulldog. Think she will be wonderful. All my dogs have been my close companions! This book was fine for new dog owners

This is such a very nice book. It has all the information I need for my frenchy. It mentions all things that you'd like to know about french bulldogs. Definitely a 5-star and best buy for and will surely recommend it to my friends who has french bulldogs.

I did not like the book all that much. There was some good advice on the breed, but found lots of contradictions reading through this book. It seems some things are based on opinion verse fact or perhaps something are just dog by dog. But I feel like there is better books on French Bulldogs, and that's my opinion.

This is a "must-have" for anyone researching the French Bulldog as a pet/companion and for a new owner. It's breed specific. The lengthy Table of Contents makes it quick and easy to find the answer to specific concerns.

This is an outstanding book that people who love French bulls will enjoy. It is an excellent resource tool for dog lovers from breeders to pet owners. If you love French bulldogs and want one for a pet, then you want to read this book. It will take you through all stages of a French bulldog's life. It is highly informative and readers, whether or not they own this delightful little dog will come away with a greater appreciation for this highly intelligent, appealing little dog.
