Customer Reviews

Impressive array of recipes from real football fans. I tried a number of the recipes and they were great. The book is also fun to read and is a real treat for Packer Fans!

I just wanted to say that I am a Green Bay Packer fan, just like everyone else in Wisconsin and I also am a tailgater at all the Packer games. It is about time someone took all the great recipes from the tailgaters and printed them in a book. The recipes are out of this world and looking at all the pictures of the tailgaters makes me wish for the season to start again. Every Packer fan in the world should have a copy of this great book.
