Customer Reviews

I purchased this book in 1985 and have been using it since. I have used it so much that I'm looking for a new one to replace what I have. This book has great recipies for Gazpacho, Cream of Mushroom Soup, and a wonderful pie crust. I have other food processor cookbooks but this is the one that I grab most often.

I had a copy of this for 25 years and constantly used it so it fell apart! I worked with Greg Patent many years ago and he passed on to people his love of cooking, and techniques to make life in the kitchen fast and easy.

This is one of my favorite go to cookbooks. The recipes for chocolate mousse and chocolate frosting are killer! Can you tell I am a chocoholic?

This was a replacement. Have had the book for years. 'nuff said.
