The Mountain Man Cookbook: The How-To Recipe Guide For Preparing, Cooking And Eating Raccoons, Muskrats, Beavers And Other Unconventional Wild Game

Synopsis

This collection of favorite dishes from Trapper & Predator Caller readers contains more than 175 mouth-watering recipes for unconventional wild game. Furbearers like raccoons, muskrats, beavers or even bobcats and opossums are a regular, and tasty, occurrence in many trappers' diets.

Veteran trappers and predator hunters from across the United States and beyond opened up their family cookbooks and shared their most delicious creations in this one-of-a-kind recipe guide. A bonus introductory chapter by biologist Serge Lariviere, a Trapper & Predator Caller field editor, details how to safely prepare and cook furbearers. After making some of these unique dishes for your own table, you'll never let the meat from these unconventional wild-game animals go to waste again. Are you ready to eat like a mountain man?

Book Information

Customer Reviews

There are recipes for all the common furbearers from the well known delicacies like bear, rabbit, squirrel, and wild boar to the ones most people don't even know are edible like woodchuck, coyote, skunk, beaver, bobcat, and muskrat.

I received this book as a gift, and it is a must-have for any trapper who wishes to cook their own catches! I was also surprised to find that two of my own recipes (Easy Bake Squirrel and Simple Bar-B-Coon) had been included after I sent them in for this collection a while back! There are a lot of unique furbearer recipes in this book that I definitely plan on trying. I'm all for using every part of the animals you catch, and this book sure tells you how!

I borrowed this book through Kindle Unlimited. It was disappointing, since so many of the recipes are just slight variations of each other. There are at least a dozen BBQ raccoon recipes that all involve a bottle of BBQ sauce. Granted, there are some recipes that are unique and sound quite good. But many, many of the 175 recipes are redundant.

This is a "hoot" with so many recipes for the real "mountain" man. it will be a great present for one of our favorite Mountain men!

Great Book, Full of surprises.

I bought 2 for my brothers Christmas gifts! I'm sure they will be beyond happy!
