## Customer Reviews

We loved our visit to Jimella's on the coast of Washington this past year. So glad to find their cookbooks online! It was a fantastic experience, but a little far to travel. I'm hoping to duplicate some of their recipes at home!

It was a gift for my wife on her birthday, and she loves it. We had eaten at the Ark as well as enjoyed the meals of the two chefs there at their Market Place on Long Island. Great tribute to them and a treat for my wife.

The Ark was a restaurant in Nakotta, WA that I frequented over the years. One of the former owners passed away recently and her recipes remind me of her great cuisine and unique approach to using local ingredients to make outstanding dishes.

The book is great-- the service in ordering, delivering, and timing could not have been better. As for the book - it is almost as good as the first edition however, parts of at least one of the receipts was left out so I had to buy the earlier edition - check Scotch Salmon! Thanks for making ordering the book easy.

Located on the Long Beach Peninsula in southwestern Washington State, the Ark Restaurant has achieved a national recognition as representing the best in American northwest regional cuisine. In *The Best Of The Ark And More!*, owners/chefs Nanci Main and Jimella Lucas draw upon their more than twenty years of experience and expertise to present a compendium of their best recipes. From Calamari Dijonnaise; Tea Smoked Halibut; and Cranberry Chicken Salad; to Italian Herb Rolls; Marinated Lamb Chops with Rosemary Sauce; and Vanilla Cream Cheesecake, *The Best Of The Ark And More!* recipes are enhanced with introductory vignettes and illustrated throughout with color photography spreads. Of special interest is the section on "Ark Basics" with recipes for a variety of diverse sauces, relishes, and dressings. Also not to be missed is the section devoted to "Recipes That Create Community". *The Best Of The Ark And More!* is an enthusiastically recommended addition to any personal or professional cookbook collection!

Precisely what I was looking for. Thanks!

Love this cookbook. The Sauteed Prawns & Scallops (pg69) and Chicken & Scallops with Tarragon (pg42) are a huge hit with company.
