Now for the very first time, America's oldest restaurant offers its history and traditional Yankees recipes in the Union Oyster House Cookbook. Established in 1826, Boston's Union Oyster House is the country's oldest continuously operated restaurant. The building itself is so old that municipal records do not record its original function. From 1771 until the beginning of the Revolutionary War it was the home of "The Massachusetts Spy," long known as the oldest newspaper in the United States. During the war it the pay-station for early Federal troops. Louis Phillippe, later King of France, was a guest and taught French to prominent Bostonians. Daniel Webster was said to drink a tall tumbler of bandy and water with each half dozen oysters. Famous patrons of the Union Oyster House have included Paul Newman, Muhammad Ali, Franklin D. Roosevelt, Bill Clinton, Ozzie Osbourne and Edward Kennedy. John F. Kennedy preferred Booth 18 upstairs which now has a dedication plaque. In 2003, the Union Oyster House was named a National Historic Landmark.
