Soldier Training Publication STP 21-1-SMCT Soldier's Manual Of Common Tasks Warrior Skills Level 1 September 2012

Synopsis

This manual is one of a series of soldier training publications (STPs) that support individual training. Commanders, trainers, and Soldiers will use this manual and STP 21-24-SMCT to plan, conduct, sustain, and evaluate individual training of warrior tasks and battle drills in units. This manual includes the Army Warrior Training plan for warrior skills level (SL) 1 and task summaries for SL 1 critical common tasks that support unit wartime missions. This manual is the only authorized source for these common tasks. Task summaries in this manual supersede any common tasks appearing in military occupational specialty (MOS)-specific Soldier manuals. Training support information, such as reference materials, is also included. Trainers and first-line supervisors will ensure that SL 1 Soldiers have access to this publication in their work areas, unit learning centers, and unit libraries. This manual applies to the Active Army, the Army National Guard/Army National Guard of the United States, and the United States Army Reserve unless otherwise stated. The proponent of this publication is the United States Army Training and Doctrine Command (TRADOC), with the United States Army Training Support Center (ATSC) designated as the principle publishing, printing, and distribution agency. Proponents for the specific tasks are the Army schools and agencies as identified by the school code, listed in appendix A. This code consists of the first three digits of the task identification number.

Book Information

Paperback: 326 pages

Publisher: CreateSpace Independent Publishing Platform (October 5, 2012)

Customer Reviews

Good manual, but hard to use on my Kindle.

As a retired soldier of the U.S. Army that wanted to stay sharp, this was just what I needed. Great revamp over the old one I was issued.

good soldiers manual to study and practice for testing.

Book is good quality, relatively inexpensive.

Standard Issue Soldiers Manual.
